**Results of General Meeting  
Allotment of shares**

BSF Enterprise plc (LSE: BSFA), the investment company established to acquire businesses focused on early-stage opportunities in the biotechnology, innovative marketing and e-commerce sectors, is pleased to announce that at the Company's General Meeting held earlier today, all resolutions proposed were duly passed by shareholders by way of a poll.

Full details of the voting at the General Meeting are set out in the table below.

**Allotment of Shares**

The Company also confirms that it has today allotted the 33,900,004 Consideration Shares, the 23,744,912 Placing Shares, and 7,798,491 Restricted Shares (together, "**New Ordinary Shares**"), conditionally on the re-admission of the Existing Ordinary Shares and the admission of the New Ordinary Shares to the Official List by way of a Standard Listing and to trading on the London Stock Exchange's Main Market for listed securities ("**Admission**"). The Consideration Shares and the Placing Shares have been allotted at the issue price of 7.37 pence per share and the Restricted Shares have been allotted at 1 penny per share.

Applications have been made to the FCA and to the London Stock Exchange for the re-admission of the Existing Ordinary Shares and for admission of the New Ordinary Shares to the Official List by way of a Standard Listing and to trading on the London Stock Exchange's Main Market for listed securities.

It is expected that Admission will become effective at or around 8.00 a.m. on 17 May 2022 and that dealings in the New Ordinary Shares will commence at that time and that trading in the Existing Ordinary Shares will resume at that time.

The New Ordinary Shares will, when issued, be credited as fully paid and will rank pari passu in all respects with the Existing Ordinary Shares of the Company and will on issue be free of all claims, liens, charges, encumbrances and equities.

The Company confirms that with effect from Admission, the Company's issued share capital will comprise 85,783,409 ordinary shares of £0.01 each, with each share carrying the right to one vote. The Company does not hold any ordinary shares in treasury.

The above figure of 85,783,409 may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or of a change to their interest in the Company under the FCA's Disclosure and Transparency Rules.
